Mr. Thornton Cooke, President, Columbia National Bank, Kansas City, Missouri.

Dear Mr. Cooker

Glenn Oatman, a graduate of the University here last year, and captain of our golf team, dropped in the office to pay me a visit the other day. I congratulated him upon winning the Missouri Open a few months ago, and he told me there was a small possibility of his obtaining a job in your bank; I thought he said with your Mr. Abernathy.

Glenn Oatman. I think he is one of the finest young men that we have had in the University for a long time. When Glenn was in the eighth and minth grades he caddied for Mr. Irving Hill. Glenn had no visible means of obtaining an education at the University, so Mr. Hill accosted me and said that he wanted me, to find a job for Glenn.

I told him that we had very few jobs that were not already taken by athletes. He said, "Well, I want you to make one. This boy wants to go to K.U." We did make a job out of thin air. We found a place where Glenn could work his way through school, and after a very difficult struggle Glenn made it. One year he was flat on his back for several months, but he persevered and came through.

I would recommend Glenn Oatman without a reservation or evasion. He is loyal, conscientious and intelligent, as well as being clean and most capable. He has no bad habits that I know of, and he has a host of friends.

I merely want to add this testimonial of mine to Glenn's worthwhile character and worth. Any consideration that can be shown him will make his many friends here in Lawrence very happy.

With kindest regards and best wishes, I am

Sincerely yours,

September 18, 1937,

Mr. Glenn Oetman, Route 4, Lawrence, Kanses.

Dear Glann:

I am enclosing carbon copy of my letter to Mr. Thornton Cooke, of the Columbia National Bank. Hope you get the job.

With best wishes, I am

Sincerely yours,

FCASAH

Mr. John Carlson, 211 Union Station Terminal, Kansas City, Missouri.

Dear John:

Buckman I did not mean to put you on the spot, I assure you. I spent over two hours with the boy here in the office going over his problems, and he had a great many.

I wanted to show him that I was earnest in helping him and my purpose in calling you was to get names of certain individuals that I could contact in his behalf.

Jack had \$35.00 to enter school - all the money he had. I went to the limit to get him a job at \$20.00 a month. The fraternity that he was to wait tables at was to pay him \$10.00 and his brother was to give him \$10.00. If he could get his brother to loan him an additional \$10.00 per month that would give him \$50.00 to pay his monthly bills with. He had but \$35.00 to pay tuition and incidentals, but he had not counted on matriculation. The \$15.00 would see him through all the way, and it was this one effort that I wanted to make in his behalf.

Jack went back to Kansas City to get his transcript, and I believe we have done a pretty good job of appraising him of the dangers as well as the pleasures of a college education.

I want to thank you for your kindness in offering to contact some of these more fortunate men in his behalf. I have a notion it would be \$15.00 mighty well spent, and my purpose was to have these men write Jack and tell him that they were investing this amount of money in a young man to give him an opportunity to brighten his talents in a bigger way.

I talked to Jack about Ted Kinney and he said that he had been working at Phillips to get more money and that he was not going to quit until tonight. However, he said that Ted had been ill quite a bit of the summer and had not been able to make the money he hoped.

I asked Jack to call you at your home to appraise you of the situation, and if there is any way possible to encourage the boy to come to the University if he has saved enough money.

With appreciation for your many kindnesses and expressions of loyalty to the University, I am

Sincerely yours,

FCA: AH

August 11, 1937. Mr. James M. Culberson, Southeastern Teachers College, Durant, Oklahoma. - Dear Mr. Culberson: I am glad to refer to the Department of Physical Education for future reference your letter of August 5th. Sincerely yours, Executive Secretary. RE:E

DEPARTMENT OF PHYSICAL EDUCATION AND ATHLETICS

August 6, 1937

Chancellor E. H. Lindley University of Kansas Lawrence, Kansas

On June 1, 1937 the president of this institution was dismissed for political reasons. During the past few weeks there have been some resignations and further dismissals including the deans and several department heads as well as my own as Director of Athletics and Head of the Department of Physical Education.

Enclosed you will find a mimeograph copy setting forth my training and experience. Should you have a vacancy in my field of work and should you be interested in my application I would appreciate hearing from you.

Very truly yours,

James M. Culberson Record of Fducation and Experience
Durant, Oklahoma

- I. Graduated Durant High School, Durant, Oklahoma--1919--played two years varsity football--captain of the team--played two years varsity basketball--winner of the mile run in Oklahoma Intercollegiate Track Meet 1919;
- II. Graduated with B. S. degree 1923, Southwestern College, Memphis, Tennessee. Played four years varsity football--Captain of the team twice-- position--halfback and end--played two years varsity baseball position--first base. President of the Honor Council. President of Alpha Tau Omega Fraternity and was sent as a delegate to the National Convention at Chicago. Also sent as a delegate to the Y. M. C. A. Convention at Blue Ridge, North Carolina. Given a trip to Stagg Meet in Chicago for being most outstanding athlete.
- III. 1923-24 was employed as assistant coach at Southwestern and instructor in Freshman-Sophomore physical education. President Charles E. Diehl, Southwestern, Memphis, Tennessee.
 - IV. Summer 1924--attended summer school at University of Illinois, taking classes in athletic coaching and physical education. Offered a try-out with Jim Thorpe's football team in Canton, Ohio, but refused because was not interested in professional football.
- V. 1924-25--coached all athletics at Mt. Olive, Illinois. Very good football team. Championship basketball team. E. J. Jackson, C/o Board of Education, St. Louis, Missouri.
- VI. 1925-30--Director of Athletics at Mattoon, Illinois--football teams were regularly defeated by smaller towns prior to 1925. In two years we were playing and defeating teams of the Big Twelve Conference, such as Douirlle, Danville, Decatur, Peoria and Champaign. Never won the championship, the closest being marred by a 7-6 defeat by Champaign.

Developed there such stars as Horsley, later quarter back at the University of Illinois, also Jim Purvis, later Western Conference halfback at Purdue, who became backfield coach at Purdue, and Duane Purvis, who was all Western Conference halfback and All-American at Purdue. Had only fair success in basketball—won the district track meet four of the five years and lost the fifth by one-half point, scored high in the Illinois State Meet and always scored in the Stagg Meet in Chicago, Superintendent H. B. Elack, Matoon, Illinois.

Attended summer school at the University of Illinois in 1929, taking classes in athletic coaching and physical education.

VII. 193-35--Football and track coach at Davis Technical High School, Grand Rapids, Michigan, the newest and smallest school in a city of seven high schools. Davis Tech had had indifferent success in athletics previous to 1930. I never won a city championship but pulled Davis Tech from the bottom to the third place in the City League. The teams were grounded there in fundamentals and were admired for their fight and being hard to beat. Never won city championship but held victories over every team in the city with one exception.

Davis Tech had no track team previous to 1930. In 1935, we held three city records, displacing records of long standing. Relay teams undefeated in 1935, winning the State Championship. Scored higher in State meet than any other city school.

Introduced intra-mural system at Davis Tech--taught boys physical education.

Spring 1935, supervised nine city playgrounds. Summer 1935, was placed in charge of the 23 city playgrounds under the direction of Mr. A. W. Thompson who is now Director of Athletics and Physical Education at West Virginia University, Morgantown, West Virginia. Mr. Leslie A. Butler, Teachers College, Ypisilauti, Michigan, was Superintendent of Schools during my employment there.

- VIII. Summers--1931--32--33--34, attended Columbia University, receiving my M. A. degree in Health and Physical Education, December 1934.
 - IX. 1935-37--Director of Athletics and Head of the Physical Education department, Southeastern Teacher's College, Durant, Oklahoma.

Football teams finished third 1935 again in '36 in Oklahoma Collegiate Conference composed of seven colleges. This is higher than at any previous time. Run mostly from double wing back and single wing. Use short punt some of time, employ to a modified extent the open lateral passing game typical of the Southwest.

There had been no track team here for twelve years prior to the spring of 1936. In 1937, Southeastern placed third in the Conference Meet.

Under my direction we have put on a full inter-collegiste athletic program, football, basketball, baseball, track, tennis, and golf. Boxing was started the past winter and have taught swimming in summer sessions, (outdoor pool), 1936-37. May 7, 1937, inaugurated the Savage Relays, a night meet for colleges with approximately 100 athletes from Texas and Oklahoma. This was the first meet of its kind to be held anywhere in the state and was highly successful in its reception.

Teach theory classes for physical education majors, such as anatomy, community recreation, intra-mural athletics, administration and principles, direct practice teaching and teach activity classes. Introduced intramural system at Southeastern.

Have directed each year tournaments for high schools consisting of 35 or more teams. Directed the annual Southeastern Inter-High school Meet, the second largest in the state, with literary, fine arts, track activities.

36 years of age, married and have three children. Member of Methodist church, Rotary, Masons, N. E. A. and A. P. E. A. 5 ft. 10 inches in height, weight 180 lbs. Complete references and credentials on file with Bureau of Educational Service, Teachers College, Columbia University, New York City.

Dean R. A. Schwegler Director of Coaching School Lawrence, Kansas

Dear Sir:

With the opening of the Coaching School this fall, of which I understand you are to be the director, will you not have an opening for a stenographer or clerk? Assuming that this school will require an administrative office, may I submit my application for a position there?

I was a student at the University of Kansas from 1933 to 1936. While there I worked half days in the office at the Cordley Grade School. For the past year I have been attending the Salt City Business College here in Hutchinson, where I have taken a stenographic course. During this time I have also had a part time position in the bookkeeping office of the Grace Hospital. Here I have had splendid office experience including that of taking dictation, filing, posting, and running a switchboard and information desk. I can take shorthand rapidly, read my notes well, and I am a good typist. My work here has been very pleasant, but as I am completing my business course I am desirous of having a full time position.

In regard to my ability and character may I refer you to the following: The Salt City Business College, Hutchinson; Miss Esther Forney, Superintendent of Grace Hospital, Hutchinson; Miss Elizabeth Rupp, Secretary to Chancellor Lindley, Lawrence; and Miss Ursula Henley, Principal of Cordley Grade School, Lawrence.

I shall greatly appreciate your consideration of this application. If there is any further information that you desire, I shall be glad to furnish it. If you wish a personal interview I will arrange to be in Lawrence at your convenience.

Very truly yours,

(Miss) Ferne Copenhaver

Mr. Cox is a good, clean, capable fellow. He has a fine personality and character.

I am glad to recommend him for the position in question.

le Carnegie Institute of Effective Speaking and Human Relations Vanderbilt 3-9500 July 83, 1937 Mr. F. C. Allen University of Kansas Lawrence, Kansas Dear Mr. Allen: Thank you for your very nice letter of July 21. I am delighted to know you enjoyed my book. I do most of my work in my office in my home at Forest Hills. But if you will call, by phone or in person, my niece, Josephine Carnegie (Pierre and L.J.'s sister) at 50 East 42nd Street, Vanderbilt 3-9500, she will gladly show you our offices. I hope you won't expect to see a college: we don't hold our classes here -- it is merely two floors on the penthouse which are devoted to our offices. Our classes are held in various hotels and restaurants throughout the city. Thanks for the comments about my nephews. I think they are pretty fine myself. Here's wishing you all the success in the world with your new book, "Better Basketball." Cordially, Nale Carnegie

Dear Sir:

I should appreciate it very much if you would send a transcript of my grades to Dr. Forrest C. Allen, head of the Department of Physical Education, University of Kansas, Lawrence, Kansas

I want to enroll there next week and I shall appreciate your rushing these grades.

Mr. Orlis Mox, Coach, Ottawa High School, Ottawa, Kansas.

Dear Orlis:

I have your letter of September 8th, and want to assure you that it will be a great pleasure for me to help you locate in a more desirable place, if possible. You are very welcome to use my name as a reference, and I will be interested in helping you in every possible way.

I think you have made a very enviable record during your fourteen years as all-round coach at Ottawa High School.

I would suggest that you write to the placement bureau, Mr. H. E. Chandler, secretary, and list
your name together with your desires and qualifications. Of course, he will want the extra work you
have done in summer school, but he will have that if
it was done at the University of Kansas. That act
places you on the available list and when superintendents call in quest for a teacher of course your name
will be a ready reference for Mr. Chandler.

Ferhaps you have already done this, but if you have not, do this the first thingy then let me hear from you regarding the progress you are making. I will be happy to attest to your qualifications and your efficiency.

Wishing you a very pleasant new academic and athletic year. I am

Dear Ernie:

I was sorry when I failed to see you when you stopped at my office. I certainly would liked to have said "Hello" to you.

Willis Browning with his family stopped by the home last Sunday and we had a fine visit. He has a fine pair of good-looking twins. In fact, my young son had a date with one of the girls Sunday night. It seemed like old days, harking back to thirty years ago when Willis and I were both young and were dating at that time.

o Come over again, Ernie, when you can.

Ad Lindsey tells me that Jack Hall is doing splendidly. I am very proud of him and am hoping he makes a fine record here.

John Carlson 211 Union Station Kansas City, Mo. Dear John: I am enclosing herewith copy of a letter which was received at the Athletic Office during my absence at the Spirit Lake Coaching School. Being in Kansas City at the time of my father's death, I called the office and Mrs. Webster, my secretary, read the letter to me over the phone. She was unable to forward the letter so that it would reach me before leaving Spirit Lake and did not know where to contact me until I called. I wanted you to have this information and asked that Mrs. Webster send a copy to you. With every good wish, I am Sincerely yours, Director of Physical Education FCA: III Enc. 1.

Mr. Arthur J. Carruth, Topeka State Journal, Topeka, Kansas.

Dear Mr. Carruth:

I had a short, snappy letter from our mutual friend, Charles L. Mitchell, asking that his tickets together with yours be placed in the best available situation in Kansas Memorial Stadium for the football season.

I have passed on this request to my successor, Mr. Cwinn Henry, and am very sure that you can count on this being done with proper dispatch.

Mr. Wayne G. Culp. Beloit, Kansas.

Dear Waynet

I was in the East when the announcement of your wedding arrived. But I want to take this means to express on behalf of Mrs. Allen and Myself our sincerest and very best wishes to you and your good wife for a long and prosperous wedded life.

Mrs. Allen, Eleanor and I spent part of the time in New York City, and between times we spent at the cottage on the shores of Lake Maxincukekee at Culver, Indiana. Bobby spent his past three summers at Culver, graduating there in the Black Horse Troup this August. He is now a freshman on the Hill, taking a pre-medic course.

I also had a coaching school with Matty Bell at Lake Okoboji, near Spirit Lake, Iowa. I had a fine summer swimming, playing golf, attending coaching school.

While in New York we went out to Jones Beach, the most beautiful bathing spot in the world, on Long Island.

I do not see you often, Wayne, but I would could it a great occasion if you ever come through Lawrence and will give me a ring, and we will have lunch together.

Give my kindest regards to your good Dad and the rest of your fine family. Remember, I am sincere in wishing you a wonderful future.

With every good wish, I am

Sincerely yours,

Mr. Ernie Cooper, President, Bank of Lees Summit, Lees Summit, Mo.

Dear Ernie:

I have exhausted all of my energies and sources of information in endeavoring to get a successor for Coach Brown to fill this very important position.

Ernie, it isn't possible from our list to furnish you with a first class coach. The demands this year have far exceeded the supply. You can bet your life that I would be delighted to get a first class man in your location, but it seems impossible.

However, I am hoping in the next few years to have a goodly supply of excellent men from our new school of physical education.

Please give Coach Brown my heartiest congratulations upon the success that he has attained in getting the recognition from the Kansas City, Missouri, public school system.

I assure you I appreciate your kindness and courtesy in calling me in endeavoring to land a Kensas man at your post.

With kindest regards to you all, I am

Sincerely yours,

Mr. John Carlson, Union Station Building, Kansas City, Missouri.

Dear Smeder

Jack Buckman just got out of the hospital last night and came in this morning for funds to complete his enrollment.

He had \$30.00 in cash, \$5.00 of this having been spent for textbooks. His late enrollment cost him \$2.50 and the \$15.00 that you were going to get from the boys in Kansas City made a total of \$17.50.

However, the total amount of his tuition and incidental fees was \$50.85. It was necessary for me to lend him from my personal account \$20.85. Of course, I do not expect to get \$20.85 from your group, but if you would be kind enough to collect that \$17.50 it will bring his indebtedness down to me to \$3.35. I will appreciate your kind cooperation.

Jack is a swell boy and I believe with the proper influences is going to do well. He is purposeful and sincere. I appreciate all the nice things that you have done.

Sincerely yours,

PCA: AH Director of Physical Education.
