Dr. Forrest Allen,  
Lawrence, Kansas.

Dear Dr. Allen:

I hope this letter finds you in the best of health and spirits. I am trying to break away from my school position here in Ottawa, if I find something more desirable. I have taken the liberty of using your name as a reference. I am especially interested in a better physical education job and assistant coach or head track coach. I might be interested in the right kind of coaching job.

During my fourteen years as coach, eleven which have been at Ottawa High I have had fair success. My foot ball teams have won 73 games lost 29 and tied 6. In nine
