Dear Sir:

In our elementary schools in connection with our Physical Education classes we have basket ball games for the sixth grade boys and the older fifth graders. Each school has a team and we schedule inter-school games.

Last year, Dean Stockton, secured as a referee a K. U. player, Sylvester Schmidt, for one of our games played after the University schedule had been completed. The children were much impressed with him and he did a very fine piece of work.

I am writing to ask if there is someone, not necessarily a player, but someone in your department who would like the experience of handling some of our games for us. The games are all played after school--beginning at 3:50 P. M. There are games to be played in our Pinckney gymnasium on the following dates:

Friday, Feb. 4; Thursday, Feb. 10; and <sup>Thurs.</sup> ~~Friday~~, Feb. 17

If it is possible for you to find someone for us the Pinckney boys and I will be most grateful.

Thank you kindly for any trouble. I hope to hear from you soon regarding this matter.

Respectfully yours,
