TO STUDENTS  
AND ALUMNI OF  
TEACHERS COLLEGE:

**I**F you are well prepared to meet employers' requirements your registration with the Bureau of Educational Service may be of vital help in obtaining a position which you can fill creditably. If you are taking or have taken *at least* twelve points of work in the College you may register with the Bureau.

Your courses at Teachers College should be of definite, tangible assistance in preparing you for the work you can best do. Your choice of courses, therefore, is important. Consider thoroughly and discuss with your faculty advisers the ones you should take. Consider courses in terms of your ability to do good work in the fields they cover and also in terms of possible employment in those fields. Consider carefully before you leave a field in which you are well prepared, in which you have comparative security, to enter one in which few
