

On rectal work no charge can be set until examination of patient has revealed the amount of work necessary, but in all cases the charges are only nominal.

—————○—————

Please note--there are no private rooms in Conley Clinical Hospital. Only ward cases are accepted. Please send us, for patients, only those deserving of our special clinical fees.

—————○—————

Our opening Clinical Week had us going around in circles as we had all the business we could accommodate--and naturally we were poorly organized. Now we have found ourselves, everything is running smoothly and we are prepared to give attention to any cases sent us at any time.

—————○—————

The days before Christmas is usually the dull season for hospitals. But the first Christmas Season of the Conley Clinical Hospital has been anything but dull. The week ending December 18th has a record of eight major cases.

A. A. Kaiser, Secretary.
