Dr. H. L. Chambers,
847 $\frac{1}{2}$ Massachusetts St.,
Lawrence, Kansas.

Dear Dr. Chambers:

I will be very glad to act as one of the special "hostesses" at your picnic on July 26, and I will also make arrangements to meet with your committee at 6:30 on Wednesday of this week, July 19.

My class in Community Recreation has charge of the playground here at the University every evening from 7 to 8:30, and I usually plan to be there, but I presume it won't take long for the committee work.

Cordially yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
