

May 31, 1939.

Mr. L. H. Petit,  
Superintendent of Schools,  
Chanute, Kansas.

Dear Superintendent Petit:

It so happens that I have been asked by Miss Margaret Curd, Miss Donis McDermond and Miss Mary K. Lattner to write you regarding their qualifications for a position in your school system of Chanute, Kansas.

Doubtless you have fulsome information from the appointment bureau, and I do not know that I can add anything to their qualifications. I am not in a position to recommend one girl over any of the others. Their academic qualifications, their personal charm, and their wholesomeness will be decided by you and your committee. I might say that we are exceptionally pleased with the qualifications of these three young ladies and any serious consideration that you can give to these applicants will be greatly appreciated by the writer.

Miss Margaret Curd receives her Master's degree in physical education this year, and the other two girls, Miss McDermond and Miss Lattner, receive their baccalaureate degrees in Education, with a major in physical education.

Thanking you for your kindly consideration, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
