

June 24, 1939.

Mr. Frank Dunkley,
Secretary, Chamber of Commerce,
Dodge City, Kansas.

Dear Frank:

This will introduce to you Miss Margaret Curd, who is desirous of filling a vacancy in the Junior High School at Dodge City. Miss Curd is a major in our Department of Physical Education, and we have confidence that she will be an excellent teacher.

Last year Miss Curd received her bachelor's degree at the University of Kansas, and this year she has completed requirements for the Master's degree with a major in Physical Education. She has been very serious and conscientious in her work. She conducted her practice teaching classes in a highly satisfactory manner. She has also had experience as a swimming instructor in Girl Scout camps, and as supervisor of city playgrounds.

I am giving you this information regarding Miss Curd so that if an opportunity arises whereby you can do her some good you will know something of her qualifications. Any courtesy that you may show Miss Curd will be greatly appreciated, I assure you.

You may recall that Miss Irene Moll, one of our graduates last year, has been teaching in your high school this past year. I believe Principal Toalson has been highly pleased with her work.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
