Dear Phog:

A letter from Eldon Ardrey at Arizona State Teachers College, Flagstaff, Arizona, has the following paragraph:

"If you see 'Phog' Allen, please tell him that my brother Robert is much worse and that it is only a matter of time. His trouble is known as Hodgkin's disease, or progressive anaemia and enlargement of the lymphatic glands. He would appreciate any letters etc. from his Track Squad I'm sure. ADDRESS: R. R. #1, Zenith, Kansas."

Maybe this letter should be referred to Bill Hargiss, but I thought there might be some personal friendship that would draw you into it. I understand from what others have said that this boy is simply slowly wasting away, and of course would appreciate letters from his friends.

Very truly yours,

Fred Ellsworth
Secretary
