Dr. Forrest C. Allen,
Kansas University
Lawrence, Kansas

Dear Mr. Allen:

In reply to your letter I am going to suggest Thursday, March 9th as our date here. I think we would plan for a dinner at about 6 o'clock which will be attended by representative men of the community and at which you and Dr. Naismith will be guests and following the dinner a meeting in the remodeled gymnasium to which the public will be invited.

If this date is not satisfactory we could change it.

Sincerely yours,
Clyde O. Davidson
