

March 29, 1939.

Mr. Allen Stewart,
Kenosha, Wisconsin.

Dear Allen:

Through your good friend, Mr. R. E. Canavan,
I have learned of your splendid interest in the University of
Kansas.

We have a fine group of young men and women
here at K. U. - over four thousand of them - coming from all
parts of the United States and some foreign countries.

I am sending you some views of our campus so
that you will get an idea of what it is like here. The Univer-
sity of Kansas is located on top of Mt. Oread, which is not
really a mountain, but a hill located a few blocks west of the
main part of the city of Lawrence. Nearly everyone refers to
the University and the campus as "The Hill".

Knowing of your interest in athletics, and
particularly basketball, I am also sending you a little inform-
ation on our basketball team this year. While we did not win
the Big Six Conference championship this year, the boys did a
wonderful job, and I am very proud of them. Already they are
anxious for spring practice to begin.

With very best wishes for your happiness,

I am

Very sincerely yours,
