Mr. F. O. Anderson,
Haskell Institute,
Lawrence, Kansas.

Dear Mr. Anderson:

I will be glad to bring my Sunday School class over and meet with your Forum class on March 13. Not many boys on the varsity attend my Sunday School class, but some of the freshmen do. I will bring what group I have over to meet with your group.

It will be a pleasure to visit with you that morning.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
