Mr. Darrell Crall,
908 Maine Street,
Lawrence, Kansas.

Dear Darrell:

I notice you have been playing on the Oread basketball team, and understand that you hope to attend the University when you finish at Oread. I remember when you played with the Lawrence high school team while my son, Bobby, was on the team.

I want to commend you for your fine observation of the laws of training and health. I would like to have a chat with you some time, and would be glad to have you drop in the office and make an appointment.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
