Mr. R. W. Cates,
Independence, Kansas.

Dear Mr. Cates:

Mrs. Overfield came in this morning and we had a very nice visit together. I am delighted with her splendid, wholesome attitude. I have promised to help her and I think we are going to make definite progress toward Dick's welfare. I will see that Director Henry knows more about the things that have been promised Dick.

I never believe in making any promises unless they are kept.

We are mighty pleased with Dick. He is a fine, high grade boy, and we are going to see him through to a happy graduation and a fine athletic achievement. I am glad that you wrote me as you did because many times I do not get the whole story of these promises, and while I do not make them myself, I do believe that they should be kept.

With best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

P.S. I have just learned from the Athletic Office that they have paid Dick an average of approximately \$25.00 a month from September 9 to November 28.
