Mr. Don Cooper,
Southwestern College,
Winfield, Kansas.

Dear Don:

Thank you very much for your letter enclosing the roster of your squad with jersey numbers. You will perhaps note that John Deckert and Charles Green both have number 54. Doubtless you will want to correct that.

It is perfectly all right for you to wear your white jerseys. We will wear red.

It is also perfectly all right for our B game to be played at Southwestern first at 8 o'clock, and our A game at 9:15. You can count on my cooperating one hundred per cent for anything that will help your crowd. Our regular varsity games here start at 7:30 p.m.

I trust that you can accompany George and the team when they come to Lawrence.

With every good wish, I am

Sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
