Mr. Fred E. Cameron,
Vinton Public Schools,
Vinton, Iowa.

Dear Mr. Cameron:

I am glad that you received some benefit to your basketball problems, and I also want to thank you for your good wishes for our game this Friday when we travel down to Oklahoma to do battle with those Sooners for the conference lead.

They have the edge, but we have a lot of determination, and we hope that will be worth something.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
