Dr. Forrest C. Allen, Basketball Coach
University of Kansas,
Lawrence, Kans.

Dear Dr. Allen:

I want to acknowledge your letter of January 18th in regard to the use of the Bask-O-Lite goal in the Big Six Conference.

I am enclosing a copy of the letter just mailed to Louie Menze at Iowa State which will explain a little more in detail our attitude in regard to this goal.

Inasmuch as the conference agreement in Kansas City was to the effect that any coach who did not prefer the goal would have the privilege of asking for the old basket for their games, I am notifying you now that Nebraska prefers the old style goal.

We are not in the mood to consider changing and inasmuch as George Edwards and Frank Root are not using the goal and since Oklahoma is evidently not sold on the idea, I see no reason for our conference to attempt to put this over.

My opinion is further influenced by the fact that the non-conference teams are definitely against the use of these goals.

Yours very truly

W. H. Browne
Basketball Coach
