Dr. Forest C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

As you know, I have been using your name as a reference in securing teaching positions. I wish to continue doing so, if it is satisfactory to you.

I hope to secure for next year a position as principal of a small high school--if possible, where Mrs. Chappell may teach music--or in a large school system where I may teach social science.

I sincerely hope you can continue to give your valuable help, and would appreciate hearing from you at your convenience.

Sincerely yours,

Eugene Chappell
