

Cannady

March 30, 1938.

Principal Frank Wagoner,
La Crosse Rural High School,
La Crosse, Kansas.

Dear Mr. Wagoner:

Pardon my failure to answer your good letter of the 17th sooner. I have been out on speaking engagements, which accounts for my delay in writing you.

We have a young man here who is graduating this year who rates A No. 1. His name is Maurice Cannady. He was fullback on the varsity football team, and is a fine, clean boy. He is a major in the Department of Physical Education, with a minor in biological sciences.

Maurice Cannady will make a great coach in both football and basketball, and he will lead the young men by the power of his personality and clean living. I am happy to recommend Cannady to you without reservation or evasion, and I assure you that if you get Cannady you will get one of the best young men that we have turned out in years.

I have also checked with our Teachers Appointment Bureau, and they have suggested the name of John Krehbiel, a graduate student here who will receive his Master's degree this June. Krehbiel did his undergraduate work at Bethel College and we know nothing about his athletic ability. However, he has had three years coaching experience at Sylvia, Kansas.

Thank you for your good letter. I trust that our suggestions will be of some benefit to you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
