

Mr. Chandler suggests John Krehbiel, now
in the Graduate School, doing work in the
School of Business; will receive Master's
degree this June. Has had 3 years' exper-
ience in coaching at Sylvia, Kansas, at
about the same salary offered at LaCrosse,
and is very anxious to get back into same
work. Mr. Chandler believe he would fit in
very well. Did his undergraduate work at
Bethel College.
