

Perhaps the boys have told you of the interest that we have in our basketball group. In a day or so I will mail you a letter which went out to all of our varsity basketball players for this fall. I think this letter gives you an insight into our training methods and our desire to not only develop the boy in a basketball way, but ethically, morally and socially, as well as physically.

Hoping that you will write me that you are coming to Kansas for matriculation on Mount Oread, and with kindest regards, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
