Mr. Maurice Camady,
201 S. Prairie St.,
Yates Center, Kansas.

Dear Maurice:

I wanted to write Superintendent Schlagle, of Kansas City, Kansas, a letter in your behalf, but first I wanted to find out if you were successful in your interview with Mr. Harmon and Superintendent Schlagle upon the occasion of your visit to Kansas City just prior to commencement. Write me and let me know what luck you had and what reactions were yours after the visit.

I can use this information to advantage in presenting your case. My desire is to keep you in their minds so that when they are in need of some one you will be recalled for a job in their system.

To emphasize this thought, I have just had occasion to recommend to the Kansas City school system a man who has been out coaching two or three years, and I am very sure they are going to call him into their system this fall. He is an athletic coach.

I trust that your harvest is a fulsome and profitable one.

My kindest regards to you, Maurice. Count on me for any help that I can render.

With every good wish, I am

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
