

I can carry assignments. The cause  
for my wishing to make a change  
is simple enough. I wish to be-  
come a lawyer. If I were to  
graduate from Okla. A. & M., I  
would be forced to go to a one  
year law school in Tenn.  
I am a good shot, so people have  
said. Here, a boy shoots at certain  
times, places, and under certain  
circumstances. So I have no idea  
what I would be able to do if  
I were allowed to play a strictly  
passing game. I played against  
Kansas Uni. in Kansas City. This  
probably tells more about me than  
I can. Age - 21 Height - 6'  $\frac{1}{2}$ "  
Could I enroll this semester?

Yours Sincerely
