

rules by way of reducing the size of the ball for better ball handling to improving the backboard and yet at the present time we refuse to take into account the great evil that this ten-foot basket is doing to the game.

If there are other questions that you wish to ask me, I will be very ahppy to give you my opinion on them.

I congratulate you and Mr. Leo Fischer on your excellent article.

Sincerely yours,

Director of Pyysical Education and Recreation  
Varsity Basketball Coach
