

Whew! Yes, Phog, Huskers DID Make It Warm for K. U.

"Boy oh boy, what makes it so warm here . . . gimme a drink of water" says Kansas Coach Phog Allen. That's right, Phog,

it was rather warm in Nebraska's basket ball play house Saturday night, and the Huskers almost made it too hot for K. U.

After drinking quantities of water, Phog saw his boys pull through with a 55-53 victory.-- World-Herald Photo.
