Lawrence, Kansas

Dear "Phog":

Thanks so much for your very kind letter of October 10 enclosing an edition of the "Rebounds" compiled and circulated by you among K. U. graduates in the armed forces of this country. I think that you are performing a great and worthwhile service and enjoyed reading it although I didn't know any of the men discussed by you in this edition. This "Teep" T. P. Hunter certainly must have been a great guy, and I know that his death was untimely and a great shock to his many friends everywhere.

"Phog" to my best recollection the K. U. graduates attending the luncheon given in your honor and the rest of the coaching staff were: Walter Kimmel, Fred Haddock, C. I. Johnson, Hunter L. Martin, Zeke Burton, Forrest De Bernardi, B. H. Hamilton, Malcolm L. McCune, Henry Duncan, M. M. Lawellin, Martin D. Wallingford, Dr. E. F. Ammons, James A. Brouk, Vic Hurt and myself. I know that all of these gentlemen would like receiving an issue of the Rebounds you sent me and all future issues you would be kind enough to send them. I really think that you are doing a great job at Lawrence both for the city and the University, and I am amazed at the energy you seem to possess and the enthusiasm you have for your various duties.

I am hopeful that Henry Shenk and his assistants can get the football team in the right frame of mind and condition to beat Nebraska Saturday. If I can get anyone to make the trip with me
