Dear Lieutenant Flanagan:

I am sorry for the delay in replying to your kind letter concerning the scheduling of baseball games this spring.

Our athletic budget is such that we find it necessary to play our games close at home, and do not plan a trip toward St. Louis. If we had the money I assure you it would be a pleasure to play your team.

Thanking you for your thought of us, and with best wishes, I am

Very sincerely yours,

Attention: Varsity Baseball Coach

Dear Sir:

The Reception Center "Missions" will place a strong baseball club in the field this spring under the teutalage of Private John Sturm.

In addition to meeting the best of semi-pro teams in this area it is our hope to schedule games with college and university nines who are in the St. Louis area on their road trips.

We have three baseball diamonds on the Barracks grounds and have also made arrangements to use fields in the city. In the event your team will be in this neighborhood this spring and you would be interested in scheduling a game I would appreciate hearing from you.

Inasmuch as our games will be played admission free it will be impossible for us to make arrangements regarding traveling expenses for visiting teams.

Trusting to hear from you in the near future, I am.

Sincerely

Thomas J. Flanagan Jr.

Dear Coach Lewandowski:

There was a slight misunderstanding regarding the wording of the minutes of our Finance Committee in regard to our baseball schedule. The boys would like to play Nebraska if it can be arranged.

I am having a conference with Director Henry and the Chancellor regarding our schedule. Is there a possibility of including us on your schedule if arrangements can be made here?

Sincerely yours,

March 13, 1942.

Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Mr. Henry:

I am sending you a copy of the minutes of the Finance Committee which was approved by the Athletic Board, as follows:

"That baseball as a conference sport be discontinued this spring, but that we have a baseball team to play local teams, such as Baker and Rockhurst, and conference teams whenever possible to do so without much expense."

From my conversation with you, I believe that you misinterpreted the motion. This leaves it open to play the Kansas Aggies and Missouri, according to the discussion while I was present at the Finance Committee meeting. You will recall that you left the Finance Committee conference early to attend a meeting in Topeka that day.

I did not hear from you or anyone else further concerning the meeting, so took it that the baseball team was to play a schedule of games. Am I correct in assuming that when you wrote all Big Six teams that Kansas would not play any conference schedule that this was hardly in conformance with the motion?

I have been corresponding with Don Faurot on the premise that we were to play a curtailed schedule. I will be glad to have a conference with you at your early convenience.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dear Phog:

I received your letter about the baseball and we are very glad you are going to play us. We would like to ask for a change in date on this if you can arrange it due to the fact that we have made some other commitments fearing Kansas might not be able to play us.

OK Could you take us there on Monday and Tuesday, April 27 and 28, instead of April 24 and 25?

OK Would it be possible for you to come to Columbia on May 18 and 19, which is Monday and Tuesday?

not

If you can/make these changes we will try to clear our schedule for dates that are satisfactory to you.

Please wire me collect Monday morning if these dates are satisfactory and if so we will consider the deal closed.

Will do whatever you can to do about the fraternities.

We plan to play games on April 24 and 25 and May 15 and 16 so our pitchers will be worked as hard as yours if we agree on the above dates.

I am sorry now that I made these other arrangements but we felt we wanted to have 14 or 15 games if we didn't meet Kansas and that is the reason why I made some other negotiations, although we can get out of them.

Sincerely,

Don Faurot

Dear Don:

Yesterday I had a conference with Mr. Karl Klooz,
secretary of our Athletic Board, concerning our baseball
schedule.

The dates of April 24 and 25 at Lawrence are
satisfactory, and we will play you at Columbia on May 19
and 20. We can send the usual contract, and later if we
want to fix it so the teams can stay at the fraternities
we can do that. However, I think the fraternities are
faced with enough of a problem without any added burden
on them.

I am sorry there has been a delay in arranging our
schedule, but I feel that we can consider the above dates
closed.

Dear Don:

I have had so many administrative matters occupying my time that I have been unable to give you a definite answer regarding the baseball schedule.

However, I am very certain that we are going to make connections. I have an appointment with the Chancellor to talk this over, and have every reason to believe that we are going to play these games. We may not have to go to the extremity of asking the fraternities to care for the players, and hope that we can go ahead with the games with the regular guarantee.

After our game tomorrow night I will be able to write you more definitely.

Dear Gwinn and "Phog":

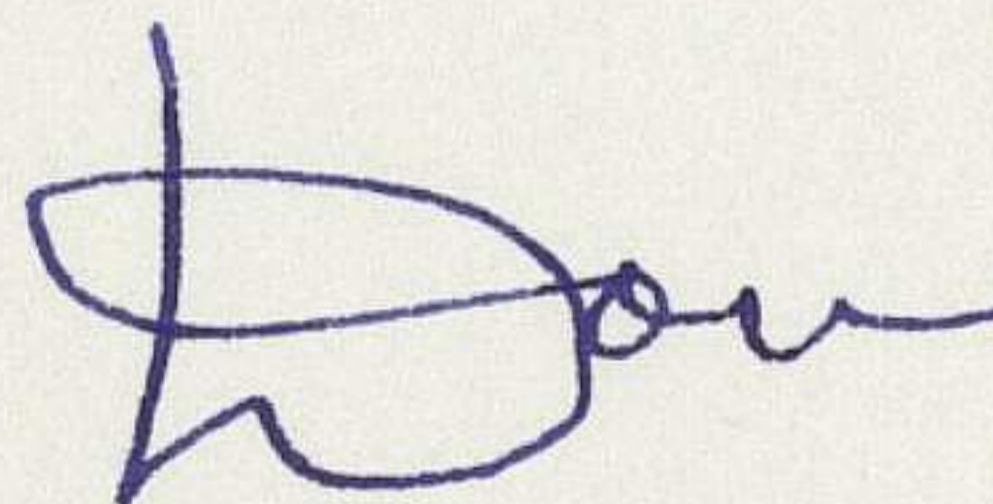

I am writing you both about baseball because I had a chance to visit with "Phog" during our basketball game here.

We would like very much to play you the four games we have scheduled with each team to pay their own expenses involving no guarantee. We would be willing to furnish lodging in fraternity houses or private homes for your team the one night they would be in Columbia if you would do the same for our boys the one night they would be in Lawrence.

Since you people are going to have a team I think it would be too bad if we couldn't get together for these 4 games.

I hope you will let me hear from you right away about this as we are anxious to find out if we are going to be able to get a baseball schedule, although we expect to have baseball if we can.
