TO ALL TRAINEES:
INDIANA TRAINING SCHOOL

Permission to use the University of Kansas gymnasium and its facilities has been accorded the Du Pont group by Dr. F. E. Allen, Director of Physical Education at K.U.

It must be clearly understood, however, that each man who intends to avail himself of its use, does so on the basis of individual responsibility and assumes all liability in the event of an injury or the loss of personal effects.

Because of shortages in both manpower and athletic equipment, the University is unable to extend to us use of such sporting goods as basketballs, volleyballs, etc. Nor can it guarantee against loss of clothing or personal effects because of caretakers being unavailable for such duties. There has been some loss attributed to juvenile delinquents, of the above.

Tuesdays and Thursdays of each week between the hours of 7:30 and 9:30 P.M. have been set aside for us.
