Dr. Forrest Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I remember Mr. Simpson very well but I did not know until I received your letter, regarding his Army career. I think I have never met Mrs. Simpson. We probably will have an opening in the position of Dean of Women, and I shall therefore be very glad to hear from Mrs. Simpson. I am looking for someone who is quite well qualified in Student Personnel work, and in the sponsoring of Student Life Activities.

We enjoyed very greatly having the Malotts with us nearly a year ago. We hope you and Mrs. Allen will visit us whenever you have the opportunity. As you know, you have large numbers of friends in Warrensburg and among the Alumni of the College, and it would not only be a source of satisfaction to Mrs. Diemer and myself to have you visit here, but also to many others.

Thanking you for your suggestion regarding Mrs. Simpson and with highest regards, I am

Very sincerely yours

G. W. Diemer
