Dear Burt:

When your letter arrived I gave Earl Barney, the sports writer on the Kansan, some information on you and I see that he printed it. I am sending you the Kansan which will give you the information concerning Major E. B. DeGroot and his family.

I am also sending you a tear sheet from the Des Moines Register which happened to be on my desk. This is about the coaching school at Boone, Iowa. I do not know where they got this cut of me unless it was when I was some young shrinking violet and somebody had presented me with a bunch of posies!

With all good wishes, I am

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
