Yours sincerely,

Mrs. Albin and all our friends at the University.

Good luck in the season to come. Dad will send regards to

weeks ago, however, and intend to get over there again in the next future. Also, I very seldom get out to Stanford. I did see Everett Jean about two point of playing basketball this coming season. Although I live in Palo Alto Stanford is finally breaking down on the "duration" athletic policies so the soon and that your next "Rebound" will tell us what your prospects are.

I presume that you will be starting basketball practice pretty ones in October.

If I possibly can, I hope to see KU's game at Denver, or one of the later City I'll make every effort to stop off and visit all the old gang at KU. Conference within the next couple of weeks. If I can come through Kansas

which will require a trip to Denver or somewhere in the Middle West, for a I am working on an agreement for basketballers all right now course pass, so he's on the road at the age of three.

Don't know if you've seen the picture of the boys in the paper. I hope you don't mind our taking the liberty of naming him after you. I only of the finest boys and one of the greatest guys I have ever known, and I played in the Detroit club Donald Forrest. His little name, of course, is football, basketball and endurance contests; he has named the youngest

with the boys are both doing very well and are doing now. Of course, the birth and I thoroughly enjoyed Mrs. Albin's very sweet letter.

Did debated the move for a long time, but his salary is such that players but many universities and colleges hypocritically deny that Marshall, the owner says, the professional teams admit that they pay league, however, is conducted on a pretty darn high plane. As
