Magazines For Convalescent Service Men

The War Services Committee used a budget of \$160 to purchase magazine subscriptions sent to convalescent soldiers in and around Denver. The magazines will be sent to Fitzsimons, Buckley, Lowry and Fort Logan and will be placed at the disposal of those who desire them. A wide variety including Esquire, Reader's Digest, and Coronet have been according to preferences shown by the convalescents themselves. Many of the subscriptions are for two and three years. This project is made possible because of the unused proceeds from our Christmas Wishing Wells and is a continuance of our Wishing Well slogan, "Make a Wish and send a gift to a convalescent soldier."
