Dear Doc,

I am indeed very sorry that our 'janitor emeritus' caused any inconvenience in the handling of your basketball squad. I can assure you that it was not premeditated, and that a key will be placed at your disposal in the future upon your arrival.

I realize that many things in the game of basketball adds up to a lot, and I have no one to blame but myself.

We were very fortunate in downing your fine war club, but I don't think it is necessary for you to warn me of the Jay Hawker's ability on their home court.

Best of luck to you in all but one of your remaining games, and give my personal regards to your family.

Sincerely yours,

Bruce Drake  
Basketball Coach
