

July 5, 1945

I am very happy to testify as to the high ethical standard of our former Superintendent of Schools, Mr. Clifford Dean. I have known Mr. Dean for a great number of years as an athlete, a student, a school administrator, and finally as an Insurance Executive. Mr. Dean has enjoyed a fine reputation as an educator and a citizen of our community.

I am writing this as a favorable introduction from me to you.

Sincerely yours,

Director of Physical Education
