Dear Dr. Allen:

I am to receive my degree from Bethany College this summer and I will need a few letters of recommendation, and if it is not imposing too much, I would like very much to have a letter from you. I have several coaching jobs on the fire, and will appreciate a letter from you to include in my files at the Placement Bureau here at Bethany.

If you will oblige, you can send the letter to the Bethany College Placement Bureau, Bethany College, Lindsborg, Kansas.

Thank You

Sincerely
Wilbur Duver
