To Whom It May Concern:

I am happy to commend for your consideration Mr. Wilbur Duver, star athlete and a good student at your college.

I have known Mr. Duver for over fifteen years and have found him an enthusiastic, kindly and aggressive young man. He has a strong personality, and in my opinion, would make a fine coach because he is tremendously interested in youth. He loves his work and with that incentive I am sure that the young men under him will be in good hands. I consider him a safe and valuable young man to deal with young people. He has a fine character.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
