Mr. Vee J. Green,
Athletic Director,
Drake University,
Des Moines, Iowa.

Dear Vee:

Your letter of March 2nd has not been by-passed, I assure you. I have had so many confounded war activities that my basketball work has suffered perceptibly.

I would not want to play Drake a game the day before the Iowa State game, and with our Navy personnel we are not permitted to be gone two days. I don't see how we can do it at the present time, Vee. I haven't made out my schedule as yet, only for our Big Six games. But a single trip would take practically all the expense money, and since the emphasis is on class attendance, perhaps we had better wait until after the war. What do you think?

Lots of good luck to you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
