Dear Phog:

We have just finished our basketball season with about an even break in a difficult schedule, and are looking forward to next season in the hopes of having a better team and a more interesting schedule of games. Most of the fans in Des Moines look with great interest to the big six, and we would like to schedule a game here with your institution for that reason. We would be glad to arrange a guarantee for a home game here just before or after your annual game at Ames, or possibly we could work out a home and home agreement.

I would be glad to hear from you soon concerning this proposal.

Cordially yours,

Vee J. Green  
Athletic Director
