Mr. Fred Deichmann
607 Hill St.
Los Angeles, 14, California

Dear Fred:

No, Fred I am not ill, nor did neglect to send back the newspaper article you sent me.

I have your two cards dated June 6 and July 7. I had not intended to mail it back as yet because I wanted to have something in the Jayhawk Rebounds regarding you, but could not find a justifiable and clever way to use it and thought I would hold it until I could.

Bert Ober left Lawrence and went to California, I think in your section of the country. We hated to see Bert go. He was a swell fellow and a great asset to the community. The next Jayhawk rebounds which I will write in the next two weeks will have your name in the manner above mentioned, and then I will return your clippings, but I am holding them now for safe keeping and references.

With all good wishes, I am

Sincerely yours,

Director of Physical Education
Varsity Basketball Coach
