Dear "Stuffy":

Pardon my delay in answering your mighty good letter of the second instant. It is nice of you to say the things that you did. Of course you know I would be delighted to help you and Joe in any manner whatsoever.

I have seen Joe a couple of times. He seems happy with the set-up here. We are going to have some summer practice in basketball, and I will arrange to see that he is excused from gym during the time he indulges in this practice.

With every good wish, I am

Fraternally yours,

Director of Physical Education
Varsity Basketball Coach
