

Dear Dr. Allen: I received your
gayhawk Rebounds of September,
and I want to thank you for
remembering me. You have a
wonderful system of getting the
news around to the boys. We all
appreciate it, and will remember you
always for it. This finds me getting
along O.K. My duties here are athletic
instructor and Recreation for the officers.
We plan to have a good basketball
team. I hope everything is going along
as usual with you out K. U.
Very truly yours - Red.
