Dr. Forrest C. Allen, President
Lawrence Rotary Club
Lawrence, Kansas

Dear Dr. Allen:

The Lawrence Recreation Council met last evening to discuss the possibility of expanding the local recreation program for young people to include a "Youth Center". Considerable planning and organization has been done as a preliminary to the selection and equipping of a building and inauguration of the project. It seems that the next step is the matter of planning and carrying out a financial campaign to underwrite the expenses of getting a building ready, equipping it and defraying the running expenses for the first year.

Various plans for raising the money were discussed and it was finally decided that the presidents of the following named groups would form an executive committee to organize a financial campaign and be responsible for collecting funds. It was the wish of the Council that the presidents of the selected organizations might serve on the financial committee, but you may wish to delegate someone from your group to act in that capacity if you find it impossible to serve.

The eight organizations selected were as follows:

American Legion	Kiwanis Club
American Association of Univ. Women	P.T.A. Council
Business and Professional Women	Rotary Club
Cooperative Club	Soroptimist Club

An organization meeting of this group will be called in the near future. Will you please let me know whether you find it possible to serve on the committee or give me the name of your representative who will serve for your organization.

Very cordially yours,

Clifford D. Dean
