Mr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

My dear Mr. Allen:

Thank you for your recent letter, and I also appreciate the information about George Dick, which you sent to Ralph Wedin. I had heard nothing from Mr. Dick directly, and quite unexpectedly a man came into my office one day, looking for a position in this field, and I have already hired him for the coming year. He is a man with experience similar to that of Mr. Dick and was one of those eliminated from the department of physical education at Kansas State University, when they did away with the A.S.T.P. program there.

I do want you to know that we appreciate the interest which you have taken in this matter and that I did not have an opportunity to talk with George Dick before making this decision.

Cordially,

Bradford M. Kingman
