

March 27, 1942.

Mr. Don Faurot,
Chairman, Intercollegiate Athletics,
University of Missouri,
Columbia, Missouri.

Dear Don:

Yesterday I had a conference with Mr. Karl Klooz,
secretary of our Athletic Board, concerning our baseball
schedule.

The dates of April 24 and 25 at Lawrence are
satisfactory, and we will play you at Columbia on May 19
and 20. We can send the usual contract, and later if we
want to fix it so the teams can stay at the fraternities
we can do that. However, I think the fraternities are
faced with enough of a problem without any added burden
on them.

I am sorry there has been a delay in arranging our
schedule, but I feel that we can consider the above dates
closed.

Very sincerely yours,
