Private Don Dixon,
Co. B, 27th Bn.,
Camp Crowder, Missouri.

Dear Don:

I am sorry that I missed you at Camp Crowder. I did not get your letter until we walked in just prior to playing the game. I thank you for your invitation to eat with you, but the camp is such a bloomin' big place I guess it was impossible to make connections. I certainly would have enjoyed being with you.

With all good wishes, I am

Sincerely yours,
