

January 27, 1943.

Professor K. W. Davidson,  
University of Kansas.

Dear Wayne:

I want to commend the fine work done by Chuck Elliott. He is doing a swell job and is showing a lot of interest in the work and is writing some good stuff. He is really on the job. This is very pleasing to me.

Very sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
