Mr. Charles Dalrymple,
Townsend Inlet Lifeboat St.,
Townsend Inlet, New Jersey.

Dear Charles:

I was indeed happy to hear from you, and I do remember you very well. If there is anything you want that we can grant you it will be a pleasure to do that particular thing.

You are, in my opinion, officer candidate material, and it is a great pleasure for me to write the letter of recommendation. I hope that you get the opportunity, and I know you will make good. I have always liked you for your straightforwardness and manly bearing.

Lots of good luck to you, Charles.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
