Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Mr. Henry:

I am very happy to recommend the following men for their varsity letter in baseball for the spring of 1942. These baseball players have shown a fine attitude in their training habits and cooperative spirit in playing their abbreviated spring baseball schedule. They have provided recreation for themselves and entertainment for their student followers, and at a minimal expense.

Personally, I believe this effort on the part of the Athletic Association in expending this money to provide an opportunity for these boys to enjoy their skills has been worth while. I have been happy to contribute my small part in a supervisory way for the enjoyment of all concerned.

At a meeting in Columbia, Missouri, last night the boys un-animously elected Forrest "Knut" Kresie as the Honor Captain for this year. Kresie has been a wonderful example by his fine, genial spirit and his fine training habits. He is one of our outstanding students and leaders on the Hill.

Warren Hodges' fine example on visiting athletic fields in a competitive way has won many friends for Kansas.

T. P. Hunter, Centralia, Ill.
John Krum, Lawrence
Denzel Gibbens, Lecompton
Warren Hodges, Lawrence
Eugene Alford, Lawrence

Delmar Green, Atwood
Irvin Hayden, Atwood
Danny Brune, Lawrence
Forrest Hill, Caspar, Wyo.
Marshall Hulett, Platte City, Mo.

Mr. Bob Oyler,
729 Massachusetts St.,
Lawrence, Kansas.

Dear Bob:

I am sending you a small stipend for your kindnesses in officiating our two baseball games.

With all kindness, Bob, I want to say that I think you are a good football and basketball official. You played basketball and did a fine job of it, and I thought you were a corking good basketball official. The easiest game to officiate is football, and it does not take a definite knowledge of football to get along.

But in baseball you must have played it and know the rules, of which there are many, to be able to umpire.

Frankly, Bob, I thought you got over your head in endeavoring to umpire college baseball. I want you to know that I am most kindly disposed to you, but I think you out-reached yourself in endeavoring to officiate this sport. That is the reason we did not use you any more.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dear Dr. Bice:

I am enclosing a check for \$35.00 for your many kindnesses in umpiring our baseball games for us this spring. Your work is greatly appreciated, and although the amount seems quite small, the appreciation is doubly that.

With your usual firmness and courtesy you handled our college baseball games in excellent style.

With best wishes, I am

Dear "Red":

Referring to our baseball schedule, the only dates we can play you are May 13, Wednesday, here at Lawrence, and May 15, Friday, at Kansas City.

We are playing Missouri on the 18th and 19th, and on May 21 I am to be in Humboldt, Nebraska. Our final examinations are from May 22 to 28, inclusive, and there is a rule against our playing during examination time and after school is out.

So the only possible date we can play you here is on the 13th, and in Kansas City on the 15th. You stated the other day that you would write me the next day, but I have not heard from you as yet. Will you please confirm these dates at your early convenience?
