Dr. Forrest C. Allen  
Director of Physical Education  
Varsity Basketball Coach

Dear Dr. Allen:

I recieved the copy of the War Department Basic Field Manual for Physical Training. I thank you for your kindness and bother in helping me to secure this manual. I know it will be helpful in my teaching.

Perhaps you will be interested to know that our school could not secure the services of a football coach this fall, and I was promoted to head coach in all sports. They also raised my wages to \$1675.00.

We won our first game against Valley Falls, 31 to 0. I hope things are going very well at K.U. this fall.

Again, I thank you for this favor, and all of those in the past.

Very truly yours
