

May 20, 1942.

Dr. L. E. Bice,
1021 $\frac{1}{2}$ Massachusetts St.,
Lawrence, Kansas.

Dear Dr. Bice:

I am enclosing a check for \$35.00 for your many kindnesses in umpiring our baseball games for us this spring. Your work is greatly appreciated, and although the amount seems quite small, the appreciation is doubly that.

With your usual firmness and courtesy you handled our college baseball games in excellent style.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
